

# Profound Events in History

Fall 2023

# Faith High School

Mrs. Fischbach

This semester course is designed as a study into events that have had an impact on history but may not be covered in-depth in a regular history classroom. Many of our best tests as a nation have resulted from unforeseen events that have captivated us and would also help define us as a people.

## Topics May Include (but not limited to):

- Assassinations (*JFK, Lincoln*)
- Terrorist activities (*Oklahoma City, 9/11*)
- Disasters (*Hurricanes, Earthquake 1989, Mt. St. Helens 1980, Nuclear, Great Chicago Fire, The Perfect Storm*)
- Scandals & Spies in the US (*Watergate, The Rosenberg's, Hollywood 10*)
- Potpourri of Events (*The American West, Titanic, Apollo 13, Hindenburg, Major Criminals, Famous Feuds*)

## Textbook:

We will not be using a textbook for this class. We'll use other resources instead, including the internet and other sources/readings.

## Class Behavior:

Learning can be fun and exciting if students behave and act appropriately. Therefore, it is expected that all students will behave and act accordingly. Listed below is the classroom discipline plan that will be followed in the classroom.

1. Follow Directions
2. Keep hands, feet, and objects to yourself
3. Be in seat with all materials when bell rings
4. No teasing, swearing, or obscene gestures
5. No severe behavior

## Grading/Assessment Methods:

Everyone learns differently! For example, some students might prefer to do projects over tests while others would rather take a test than spend time on a project. Therefore, there will be a variety of ways to evaluate your work. This may be accomplished through daily discussion/participation, daily assignments, quizzes, chapter/unit tests, projects/presentations, and a final exam.

## Assignments:

Organization is a key to being a successful student! It is expected that all assignments and projects will be handed in on time. Assignments are due at the beginning of the class period. If homework is handed in after the assignment is collected, it will be considered one day late. If homework is handed in late, you may lose up to one letter grade for each day it is late. The week's itinerary will be written out each Monday. Lesson plans, posted on my website, will be updated for each chapter/unit.

## Cumulative Semester Exam:

In order to gauge information learned during the semester, a cumulative semester exam may be given at the end of each semester.

## Class Projects & Experiences

Class projects and experiences are a fun way to learn class material. This allows you to have hands-on experience with information being discussed. These projects are graded on a separate basis and may be equal to or count more in value than an exam.

## Website/Technology

I have a website you may check out. This site will have the history lesson plans for the current unit. You will be able to find out what you are doing the next day in class and when you are having a test

If correct, one extra credit point will be awarded. The correct answer will be given the following week.
